

DRE Millennium 3

Patient Stretcher

Equipment for the way *you* operate

The DRE Millennium 3
is both **DURABLE**
and **AFFORDABLE**

The DRE Millennium 3 is the durable stretcher alternative for budget-conscious facilities.

- Supports up to 550 pounds on a four-inch foam mattress
- Adjusts to Trendelenburg and Reverse-Trendelenburg positions
- Infusion pole sockets at each corner eliminate the need for additional equipment in small spaces and ensure a secure transport
